

# CREATING TECHNOLOGY ACCOUNTS

We will create a GMail account for English for your own privacy. This will ensure that you do NOT have to share your home/personal emails with others or receive class information. Having a GMail account will also give you access to all Google resources (ex. Google Docs).

**STEP 1:** Go to <http://mail.google.com>

**STEP 2:** On the right side of the screen, click on "Create an Account."

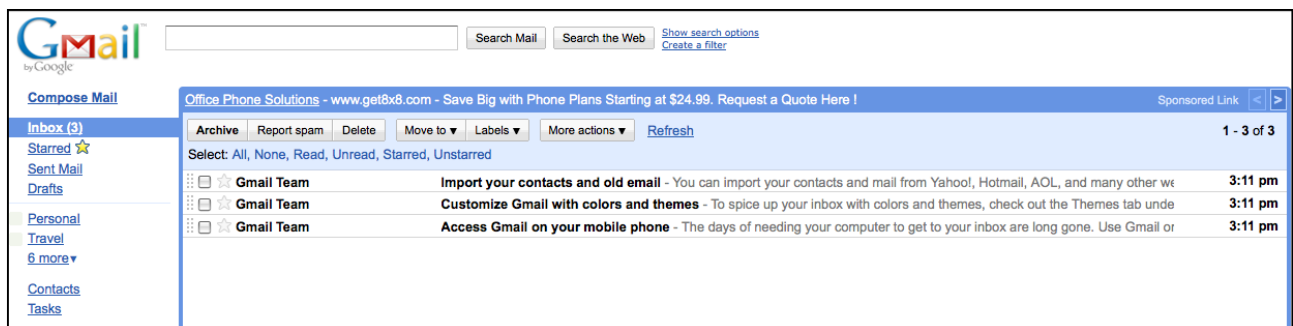

**STEP 3:** Type in the required information and accept the "Terms & Agreement Policy."

First name:	<input type="text" value="Amber"/>
Last name:	<input type="text" value="McQuillan"/>
Desired Login Name:	<input type="text" value=""/> <small>Examples: JSmith, John.Smith</small> <input type="button" value="check availability!"/>
Password:	<input type="password"/>
Security Question:	<input type="text" value="Choose a question ..."/> <small>If you forget your password we will ask for the answer to your security question. <a href="#">Learn More</a></small>
Answer:	<input type="text"/>
Secondary email:	<input type="text" value="mcquillana@parklandsd.org"/> <small>This address is used to authenticate your account should you ever encounter problems or forget your password. If you do not have another email address, you may leave this field blank. <a href="#">Learn More</a></small>
<input type="button" value="Continue"/>	

**STEP 4:** CONGRATS! You're officially in! Click here to see!

## HERE'S WHAT YOU'RE WELCOME PAGE WILL LOOK LIKE!

**STEP 5:** PLEASE come write your email and password on the private class list to ensure no one gets locked out or loses his/her information.

**NOTE:** Use your GMail account's email address to log-in for your other technology accounts.

Wikispace is a free, yet private, class website! Through our class wikispace, you will be able to access all of our class notes, handouts, study guides, videos, calendar, and links to other helpful resources. The nice thing about the wikispace is that you, the students, also have the power to edit the website and make changes too!

**STEP 1:** Go to <http://www.wikispaces.com/>

**STEP 2:** On the right side of the screen, click on "Get Started."

**Get Started**

**STEP 3:** To join, create a username, password, and type in your gmail account email that we just made.

**Join Now**

Fill in the fields below and you are done.

**1. Username**   
⚠ Your username must be at least 3 characters.

**2. Password**   
⚠ Please enter a password that is at least 6 characters long.

**3. Email Address**   
We will not spam or share your email address.  
⚠ Please enter an email address in the form user@domain.com.

**4. Make a Wiki?** ☐ Yes ☒ No

Moodle is an on-line system in which we will have various on-line assignments for each unit. Tests, quizzes, discussion forums, group chats, and much more can be accessed from here at school or from the privacy of your own home.

**STEP 1:** Go to <http://moodle.cliu.org>

**STEP 2:** On the left side of the screen, under the login, click on "Create new Account."

**STEP 3:** Fill out all of the requested necessary information.

**\*All usernames should follow this format:**

**"Last name" + "First INITIAL" + "#"**

**Use your Gmail when you type in your email address.**

**STEP 4:** An email will be immediately sent to your email address (GMail account). Read your email and click on the web link it contains.

**STEP 5:** Now that you've created an account, you have to enroll in our class. On the main listing page of courses, scroll down and click on "PARKLAND HS."

**STEP 6:** Click on the class labeled -

**English 11 CP - Ms. McQuillan ('09-'10)**  
Teacher: Amber McQuillan

## Course categories

<b>Panther Valley School District</b>
<b>High School</b>
<b>Parkland SD</b>
<b>Parkland High School</b>
<b>Salisbury Township SD</b>

**\*NOTE:** There is no log in passcode, so you should immediately see the main screen. You now have full access to the course.

**STEP 7:** Congrats! You're in! PLEASE come write your email and password on the private class list to ensure no one gets locked out or loses his/her information.

# TECHNOLOGY ACCOUNT REMINDERS

Since we are going to be incorporating a lot of technology this year, I thought it would be in our best interest to have an organized system for all of our logins.

## GMAIL ACCOUNT

We will create a GMail account for English for your own privacy. This will ensure that you do NOT have to share your home/personal emails with others or receive class information. Having a GMail account will also give you access to all Google resources (ex. Google Docs).

★ EMAIL ADDRESS: \_\_\_\_\_

★ PASSWORD: \_\_\_\_\_

NOTE: Use your GMail account's email address to log-in for your other technology accounts.

## TURNITIN ACCOUNT ([www.turnitin.com](http://www.turnitin.com))

Turnitin and Grademark are both programs that we will use with our writing. Turnitin will be used to check for plagiarism and with help referencing outside sources. The Grademark portion of Turnitin will be used for peer editing and for grading by your teacher.
